Electronic Thesis and Dissertation Rights and Permission

Student Name _____

Student ID # _____

Student Agreement

I hereby grant to Mississippi State University and its agents the non-exclusive license to archive and make accessible, under the conditions specified below, my above-titled document, in whole or in part, in all forms of media, now or hereafter known. I retain all ownership rights to the copyright of the thesis or dissertation and the right to submit same to publishers or other repositories.

In addition to the unrestricted display of the bibliographic information and the abstract, I agree that the above-mentioned document may be placed in Scholar's Junction, MSU's Institutional Repository (IR) with the following status:

_____ The entirety of my work should be released for immediate availability in the IR.

_____ The release of the entirety of my work needs to be restricted to campus only access (creation of an IR account using @msstate.edu email address required for access to of document). Once the selected delay period has expired, the entirety of the work will be available in the IR. Please delay release for a period of:

_____ 6 months

_____ 1 year

_____ 2 years

_____ Due to a patent and/or proprietary purposes, the entirety of my work needs to be embargoed from access in the IR. During an embargo, no one will have access to the thesis or dissertation. This includes the major professor, committee members, dean, and the author themselves. Once the selected embargo period has expired, the entirety of the work will be available in the IR. Please embargo for a period of:

_____ 6 months

_____ 1 year

_____ 2 years
